

Report of Celebration of World Antimicrobial Resistance Awareness Week in Jhargram Government Medical College & Hospital

World Antimicrobial Resistance Awareness Week was celebrated at Jhargram Government Medical College and Hospital from 18th November to 24th November, 2025. The slogan this year ***"Act now: Protect our present and secure our future"*** A seminar was arranged by Department of Microbiology, with interdepartmental interactions and presentations on the following topics ----

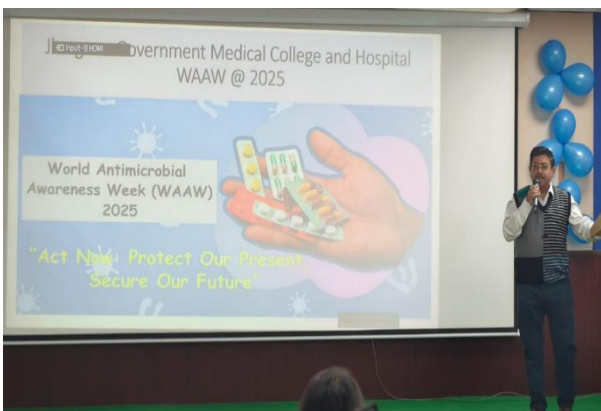

- (i) Rationale use of Antimicrobials
- (ii) Antibiotic Resistance: Challenges in Jhargram Govt Medical College and Hospital
- (iii) Prophylactic Antibiotic before major Pelvic Surgery
- (iv) Our future is securing rapid diagnosis in AMR

The seminar was convened before an august gathering comprising faculty members, senior residents, staff, and students, in the esteemed presence of the respected Principal, Dean, MSVP, Assistant Medical Superintendent, Assistant Dean, and Heads of various departments. A focused discussion on the empirical antibiotic policy was held during the session. Additionally, a patient awareness campaign was conducted at the OPD of Jhargram Government Medical College and Hospital, where faculty members from the Department of Microbiology engaged patients through interactive sessions during OPD hours.

Glimpses of the programme :

Inauguration of the World Antimicrobial Resistance Awareness Week in JGMCH by honourable Dean – Modern Medicine – WBUHS, Prof.(Dr.) Anindya Dashgupta, respected Principal (JGMCH) Prof. Susmita Bhattacharya & respected MSVP Dr. Anurup Pakhira.
